Year	First Instructor	Department	Project Name	Award Category	Competition Category	Award Level	Competition Name	Organizer	Names of Award-winning Students
2024	Hong Xinmin	School of Civil Engineering	National College Students' Advanced Graphics Technology and Product Information Modeling Innovation Competition	National - level	Individual	First Prize	The 17th "Higher Education Cup" National College Students' Advanced Graphics Technology and Product Information Modeling Innovation Competition	Organizing Committee of the National College Students' Advanced Graphics Technology and Product Information Modeling Innovation Competition	Chen Jianfeng
2024	Mao Yu	School of Civil Engineering	National College Students' Advanced Graphics Technology and Product Information Modeling Innovation Competition	National - level	Individual	First Prize	The 17th "Higher Education Cup" National College Students' Advanced Graphics Technology and Product Information Modeling Innovation Competition	Organizing Committee of the National College Students' Advanced Graphics Technology and Product Information Modeling Innovation Competition	Yu Boyi
2024	Xie Jin	School of Civil Engineering	National Digital Architecture Innovation Application Competition	National - level	Team	First Prize	National Finals of the 2024 National Digital Architecture Innovation Application Competition	China Construction Education Association	Chen Jiahao, Sun Chen, Li Dongxu
2022	Chen Liqun	School of Civil	National Digital Architecture Innovation Application	National - level	Team	First Prize	National Finals of the 2024 National Digital Architecture Innovation	China Construction Education Association	Peng Jingxuan, Zhang

4		Engineering	Competition				Application Competition		Hanyou, Zou Lang
2024	Wei Qizhi	School of Civil Engineering	National Digital Architecture Innovation Application Competition	National - level	Team	First Prize	National Finals of the 2024 National Digital Architecture Innovation Application Competition	China Construction Education Association	Peng Xuan, Xie Qihao, Dai Siyan
2024	Wei Qizhi	School of Civil Engineering	National Digital Architecture Innovation Application Competition	National - level	Team	First Prize	National Finals of the 2024 National Digital Architecture Innovation Application Competition	China Construction Education Association	Zhang Ziyi, Liu Yaojuan, Yuan Zixin
2024	Li Yongshuo	School of Civil Engineering	Hunan Provincial College Students' Comprehensive Surveying and Mapping Skills Competition	Provincial - level	Individual	First Prize	Unmanned Aerial Vehicle (UAV) Aerial Survey Virtual Simulation Event of the 7th Hunan Provincial College Students' Comprehensive Surveying and Mapping Skills Competition	Department of Education	Liu Shengning
2024	Wang Canhui	School of Civil Engineering	National College Students' Advanced Graphics Technology and Product Information Modeling Innovation Competition	Provincial - level	Individual	First Prize	The 4th Hunan Provincial College Students' Advanced Graphics Technology and Product Information Modeling Innovation Competition	Organizing Committee of the Hunan Provincial College Students' Advanced Graphics Technology and Product Information Modeling Innovation Competition	Dai Jiawang

## Appendix A-15:List of subject competitions

2024	Wu Weixiang	School of Civil Engineering	National College Students' Advanced Graphics Technology and Product Information Modeling Innovation Competition	Provincial - level	Individual	First Prize	The 4th Hunan Provincial College Students' Advanced Graphics Technology and Product Information Modeling Innovation Competition	Organizing Committee of the Hunan Provincial College Students' Advanced Graphics Technology and Product Information Modeling Innovation Competition	Tang Jiale
2024	Mao Yu	School of Civil Engineering	National College Students' Advanced Graphics Technology and Product Information Modeling Innovation Competition	Provincial - level	Individual	First Prize	The 4th Hunan Provincial College Students' Advanced Graphics Technology and Product Information Modeling Innovation Competition	Organizing Committee of the Hunan Provincial College Students' Advanced Graphics Technology and Product Information Modeling Innovation Competition	Yu Boyi
2024	Mao Guangxiang	School of Civil Engineering	Hunan Provincial College Students' Structural Design Competition	Provincial - level	Team	First Prize	The 11th Hunan Provincial College Students' Structural Design Competition	Hunan Provincial Department of Education	Wang Jiangyi, Yang Yuansheng, Li Jia
2024	Long Qiong	School of Civil Engineering	Hunan Provincial College Students' Structural Design Competition	Provincial - level	Team	First Prize	The 11th Hunan Provincial College Students' Structural Design Competition	Hunan Provincial Department of Education	Zhou Chao, Kong Binqun, Peng Youkang
2024	Chen Liqun	School of Civil Engineering	National College Students' Structural Design Information Technology	National - level	Team	First Prize	The 5th National College Students' Structural Design Information Technology Competition	Education Committee of the China Civil Engineering Society	Shan Rongji, Chen Hao, Wang Zhiyang

		ering	Competition						
2024	Yu Dong	School of Civil Engineering	National College Students' Structural Design Information Technology Competition	National - level	Team	First Prize	The 5th National College Students' Structural Design Information Technology Competition	Education Committee of the China Civil Engineering Society	Peng Junrui, Liu Ziping, Xiao Jiawei
2024	Liu Yihong	School of Civil Engineering	National College Students' Structural Design Information Technology Competition	National - level	Team	First Prize	The 5th National College Students' Structural Design Information Technology Competition	Education Committee of the China Civil Engineering Society	Tan Yongping, Liu Hui, Ye Meiyi
2024	Yu Dong	School of Civil Engineering	National College Students' Structural Design Information Technology Competition	National - level	Team	First Prize	The 5th National College Students' Structural Design Information Technology Competition	Education Committee of the China Civil Engineering Society	Wang Chubo, Wen Hailong, Liu Yongqi
2024	Xie Jin	School of Civil Engineering	National College Students' Structural Design Information Technology Competition	National - level	Team	First Prize	The 5th National College Students' Structural Design Information Technology Competition	Education Committee of the China Civil Engineering Society	Xie Zhan, Hu Siyuan, Dai Zihao
2024	Wei Qizhi	School of Civil Engineering	National BIM Graduation Project Innovation Competition for Colleges and Universities	National - level	Team	First Prize	The 10th National BIM Graduation Project Innovation Competition for Colleges and Universities	Research Branch of Construction Market and Bidding of the China Civil Engineering Society	Gu Yuying, Cao Zhihui, Guo Lixin, Liu Huan, Zhu Jialing

## Appendix A-15:List of subject competitions

2024	He Meili	School of Civil Engineering	National BIM Graduation Project Innovation Competition for Colleges and Universities	National - level	Team	First Prize	The 10th National BIM Graduation Project Innovation Competition for Colleges and Universities	Research Branch of Construction Market and Bidding of the China Civil Engineering Society	Zheng Fangyu, Luo Zhisheng, Zhou Ruli, Yu Peng, Yang Jiarong
2024	Xie Jin	School of Civil Engineering	National Digital Architecture Innovation Application Competition	National - level	Team	First Prize	National Trials of the 2024 National Digital Architecture Innovation Application Competition	China Construction Education Association	Chen Jiahao, Sun Chen, Li Dongxu
2024	Chen Liqun	School of Civil Engineering	National Digital Architecture Innovation Application Competition	National - level	Team	First Prize	National Trials of the 2024 National Digital Architecture Innovation Application Competition	China Construction Education Association	Peng Jingxuan, Zhang Hanyou, Zou Lang
2024	Wei Qizhi	School of Civil Engineering	National Digital Architecture Innovation Application Competition	National - level	Team	First Prize	National Trials of the 2024 National Digital Architecture Innovation Application Competition	China Construction Education Association	Zhang Ziyi, Liu Yaojuan, Yuan Zixin
2023	Hong Xinmin	School of Civil Engineering	National College Students' Structural Design Competition	National - level	Team	First Prize	The 16th National College Students' Structural Design Competition	National College Students' Structural Design Competition Committee	Zhou Chao, Zhang Tao, Kong Binqun

## Appendix A-15: List of subject competitions

2023	Hong Xinmin	School of Civil Engineering	Hunan Provincial College Students' Structural Design Competition	Provincial - level	Team	First Prize	The 20th Hunan Provincial College Students' Structural Design Competition	Hunan Provincial Department of Education	Zhou Chao, Zhang Tao, Kong Binquan
2023	Huang Guoping	School of Civil Engineering	National College Students' Advanced Graphics Technology and Product Information Modeling Innovation Competition	Provincial - level	Individual	First Prize	The 3rd Hunan Provincial College Students' Advanced Graphics Technology and Product Information Modeling Innovation Competition	Hunan Graphics Society	Guo Ming
2023	Wei Qizhi	School of Civil Engineering	National BIM Graduation Project Innovation Competition for Colleges and Universities	National - level	Team	First Prize	The 10th National BIM Graduation Project Innovation Competition for Colleges and Universities	Research Branch of Construction Market and Bidding of the China Civil Engineering Society	Zeng Peng, Sun Jiayu, Luo Xinyu, Yao Jianglong, Wang Deke
2023	Tan Zhiping	School of Civil Engineering	National BIM Graduation Project Innovation Competition for Colleges and Universities	National - level	Team	First Prize	The 10th National BIM Graduation Project Innovation Competition for Colleges and Universities	Research Branch of Construction Market and Bidding of the China Civil Engineering Society	Shao Ruokun, He Chao, Yang Qian, Chen Minwei, Yin Jiao
2022	Chen Xiangliang	School of Civil	National BIM Graduation Project Innovation Competition	National - level	Team	Special Prize	The 10th National BIM Graduation Project Innovation Competition for	Research Branch of Construction Market and Bidding of the China Civil	Chen Haijun, Li Jie, Peng Shi, Huang
